Project Details

SafeBillz app:

https://play.google.com/store/apps/details?id=com.RedJee.safebillz&hl=en

SafeBillz app will help users to store the bills of any purchases easily. It will provide timely reminders for pending services or expiry of warranty on the products they purchased.

The app is developed keeping in view the challenges faced by people in maintaining the physical copies of all bills of expensive household items they buy. It also resolves the challenge of accessing these bills which are required especially when one needs to exercise the warranty claims if the product stops working during the warranty period.

Most of the people do purchase the regular appliances like TV, Refrigerator, AC, Washing machine, Mixer & grinder, Micro woven, Dish washer etc.,

Salesmaxima:
        Salesmaxima is an application which makes job of representative makes easy by giving all the document assets in his palm**.** Whith this application we can improve productivity of medical representatives by giving them all the documents In their tablet and they can schedule the time to visit particular doctor with out any hesitation in this application we are capturing the time of each asset how much time it has open.
